## SOVIET PROPAGANDA STREWN ABOUT CITY

Workers Asked to Prevent Send-  
ing of Arms to Wrangel and Allies

Printed bills signed by the central executive committee of the communist party of America, were distributed promiscuously about the south end of the city last night. The paper exhorts workers of America to assist soviet Russia by refusing to make arms or handle ammunition to the sent Gen. Wrangel or his allies. "Will You Fight Soviet Russia?" is the caption which prefixes the article.

Workers of America are hailed and asked not to stand idly by refusing to act in spite of the fact that English, Italian, French and German capitalists and government at Washington is charged with an attempt to destroy "the only workingman's government in the world."

The reader is asked to remember Lawrence, Mass., Ludlow, Colo., Bisbee, Ariz., the Mooney case, raids, deportations, imprisonments, the coal, steel and railroad strikes. If soviet Russia is overthrown matters will become ever more serious, the paper warns, and American militant, class-conscious workers will be drowned in their own blood. Another possible result forecasted is that the revolutionary struggle here may be held back a number of years. Workers' soviet governments throughout the world is the solution offered by the pamphlet for the present chaos.

The final exhortation is: "Show the workers of Russia that you are with them in their glorious struggle. Show the American capitalist government that you are opposed to its murderous attempt to overthrow the only real working class republic in the world. Down with the capitalist state! Down with world imperialism! Up with the soviets everywhere! Hail to the dictatorship of the proletariat! Long live soviet Russia!"

### GOING OUT OF BUSINESS.

Morris Raphael Disposing of All His Stock.

Morris Raphael, proprietor of Raphael's Specialty Shop, 170 Main street is going out of business. A sale is now going on at the store because the stock must be disposed of before October 1.

Mr. Raphael has had a most successful career as a merchant over a period of thirty years, starting business as a retailer of women's ready-to-wear apparel in Port Chester, N. Y. A few years afterward he removed to Waterbury. Ten years ago Mr. Raphael came to New Britain to establish Raphael's Department Store which was operated by Mr. Raphael and his son, Louis, the present owner of The Big Store. Five years later Mr. Raphael relinquished his share in the department store and went into business for himself as owner of the present store. Mr. Raphael has no definite plans for the immediate future. He will take a much needed rest after October 1.
